

# LINARI LAW FIRM

## AVOCATS À LA COUR

We are proud to inform you that **Linari Law Firm** has been accepted as associate member of LuxFLAG as of **April 2017** (<http://www.luxflag.org/about/associate-members.html>).

LuxFLAG (short for Luxembourg Finance Labelling Agency) is an independent, non-profit making, association created in July 2006 by seven partners who are the founding members. LuxFLAG supports the financing of sustainable development by providing clarity for investors through awarding Labels to investment funds which meet specific published criteria. The agency is managed by a Board of Directors who represent the founding members. The analysis of applications by funds seeking a LuxFLAG Label is delegated by the Board to an Eligibility Committee, composed of independent experts. This panel makes recommendations to the Board which takes the final decision.

LuxFLAG currently proposes 4 different labels:

**Microfinance, Environment, ESG and Climate Finance.**

A new Green Bond Label will be launched in the second quarter 2017 by LuxFLAG and on which the agency is currently working. This first label which will not be exclusively granted to funds is the second evidence of the willingness of LuxFLAG to move from investment funds to the wider financial instruments after the change of their name from Luxembourg Fund Labelling Agency to Luxembourg Finance Labelling Agency.
