LEGAL 500 - Banking, finance and capital markets and Investment funds rankings

We are very pleased to share that the Legal 500 EMEA 2023 edition has recently published its rankings.

Linari Law Firm has been recommended in two practice areas in which it has been listed in the rating list for the past 14 years : Banking, finance and capital markets and Investment funds.

This year, we also have the great pleasure to see that two of our senior lawyers are recommended (Me Aleksejs Ketovs) and mentioned as key lawyers (Me Aleksejs Ketovs & Me Joanna Mascherin).

We are very proud and honored of this ranking and we would like to warmly thank all our clients and business partners for their trust and support. We look forward to continuing to serve our clients with the same level of excellence and commitment that led to this recognition.
